

EX NO :

BLOG CREATION

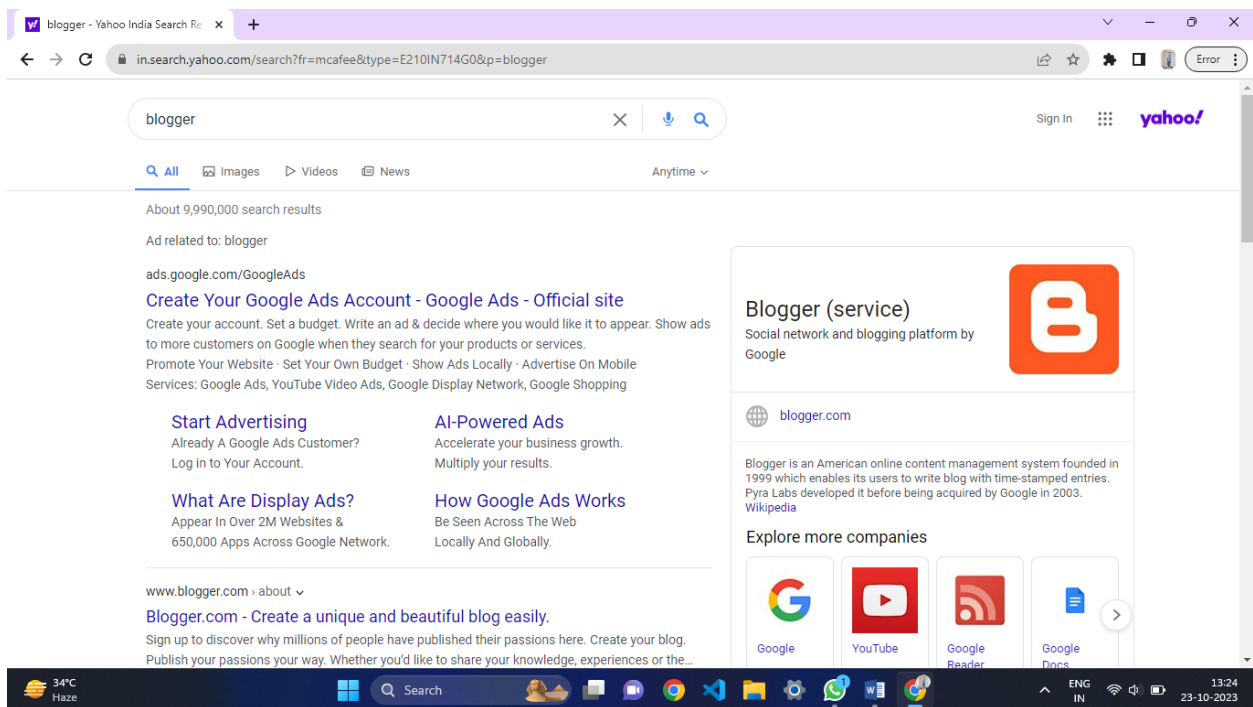

DATE :

AIM:

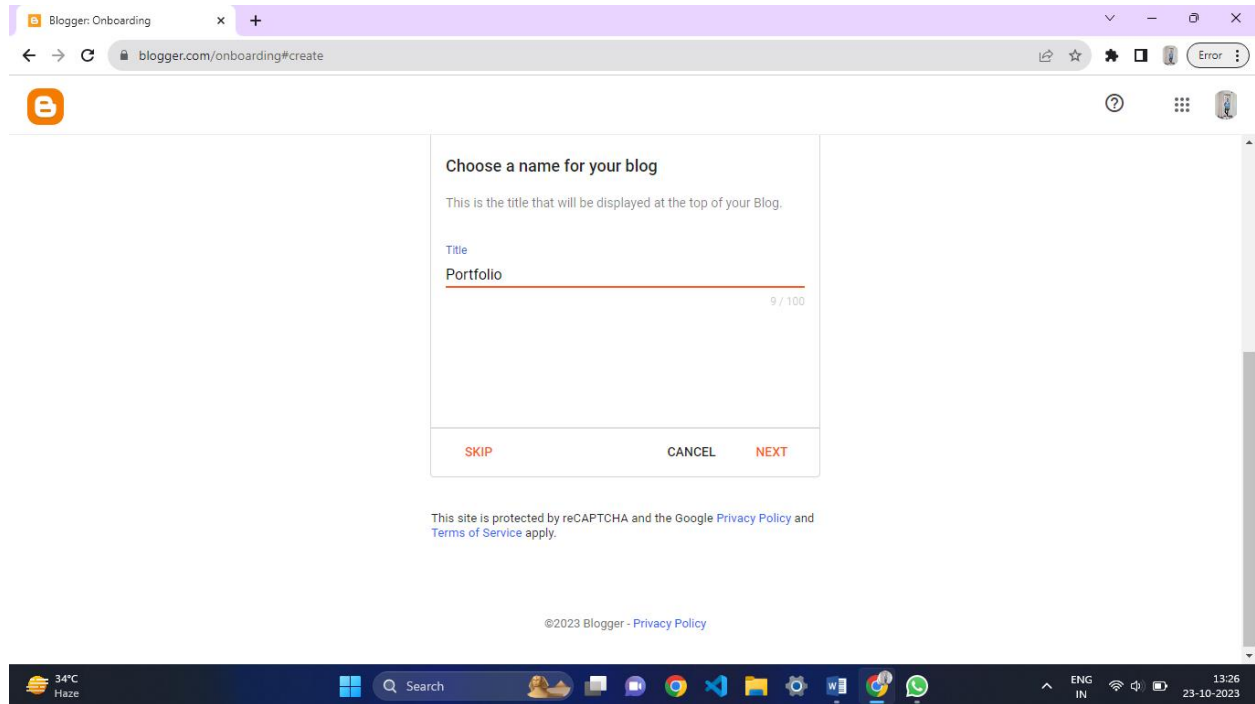

To create a Blog for my profile using Blogger.

ALGORITHM:

STEP 1: Type Blogger in google and click enter.

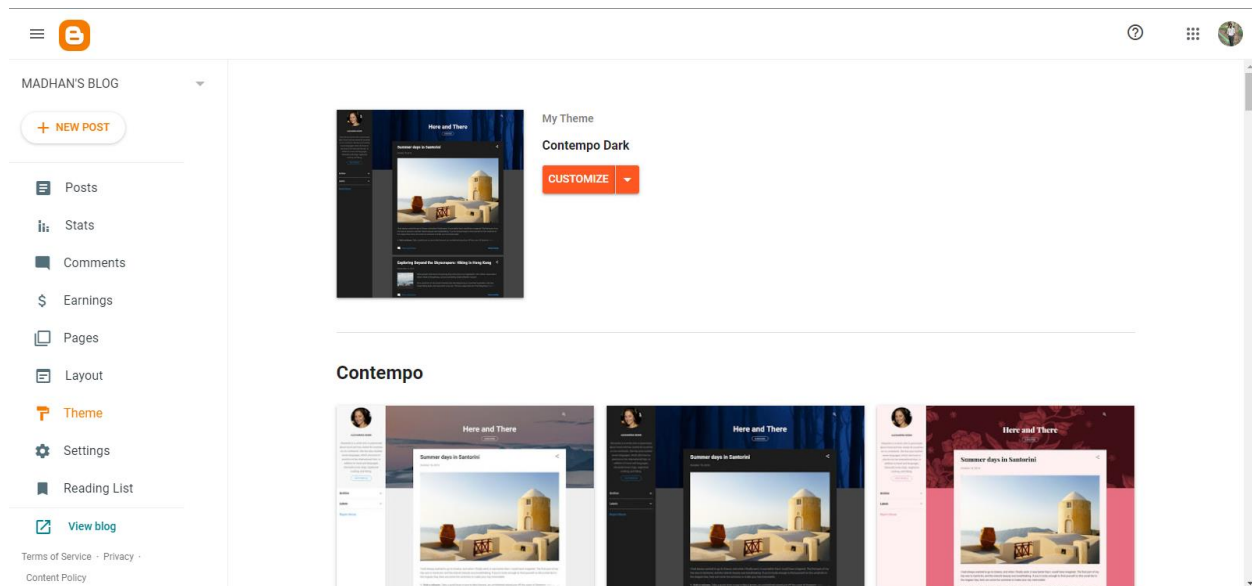

STEP 2: Register and login using our account and choose new post and enter the Title and create a new post for our Blog.

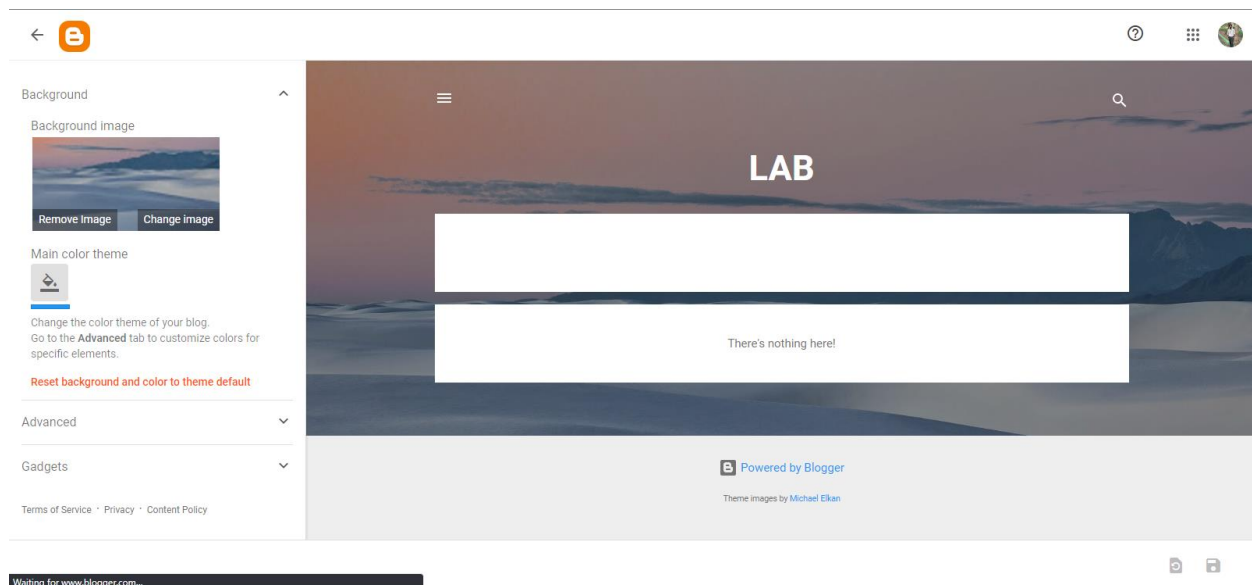

The screenshot shows the Blogger Onboarding interface in a web browser. The browser's address bar displays 'blogger.com/onboarding#create'. The page features the Blogger logo in the top left corner. The main content area is titled 'Choose a name for your blog' and includes a subtext: 'This is the title that will be displayed at the top of your Blog.' Below this, there is a text input field labeled 'Title' with the word 'Portfolio' entered. A character count '9 / 100' is visible to the right of the input field. At the bottom of the form, there are three buttons: 'SKIP', 'CANCEL', and 'NEXT'. Below the form, a small disclaimer states: 'This site is protected by reCAPTCHA and the Google [Privacy Policy](#) and [Terms of Service](#) apply.' At the very bottom of the page, a copyright notice reads '©2023 Blogger - [Privacy Policy](#)'. The Windows taskbar is visible at the bottom of the screen, showing the system clock as 13:26 on 23-10-2023.

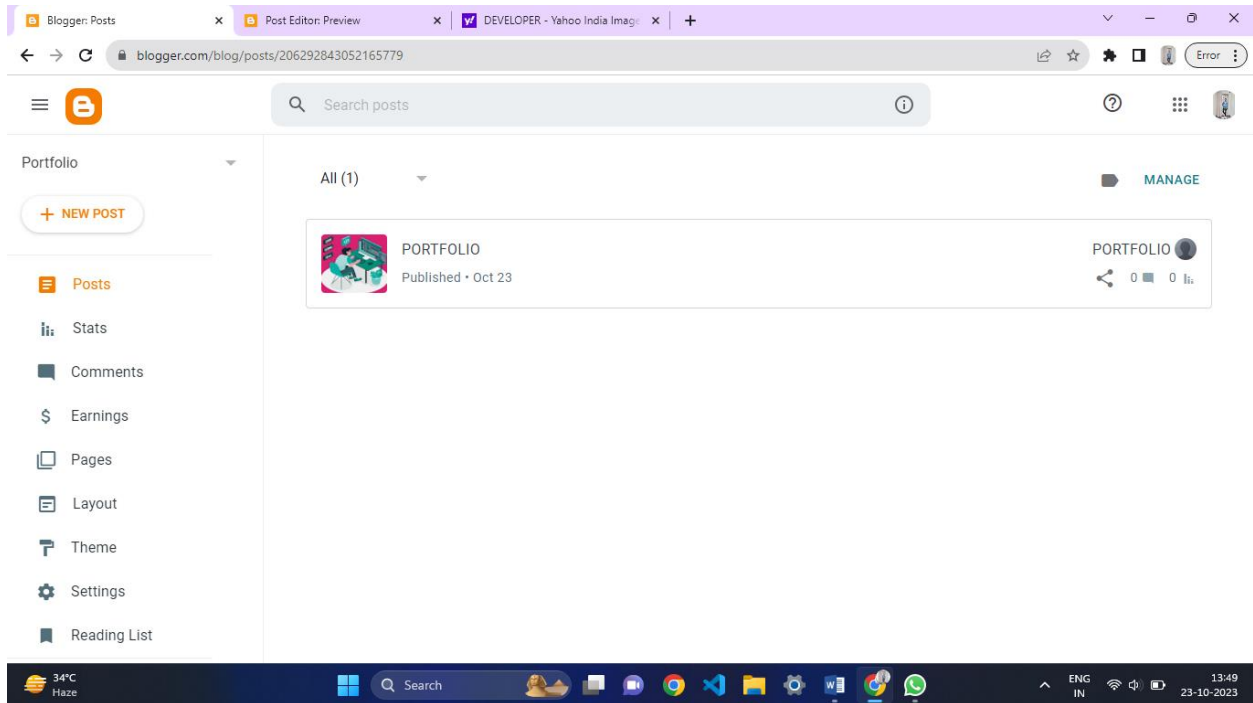

STEP 3: Go to Theme and select your own theme and customize it to your wishes.

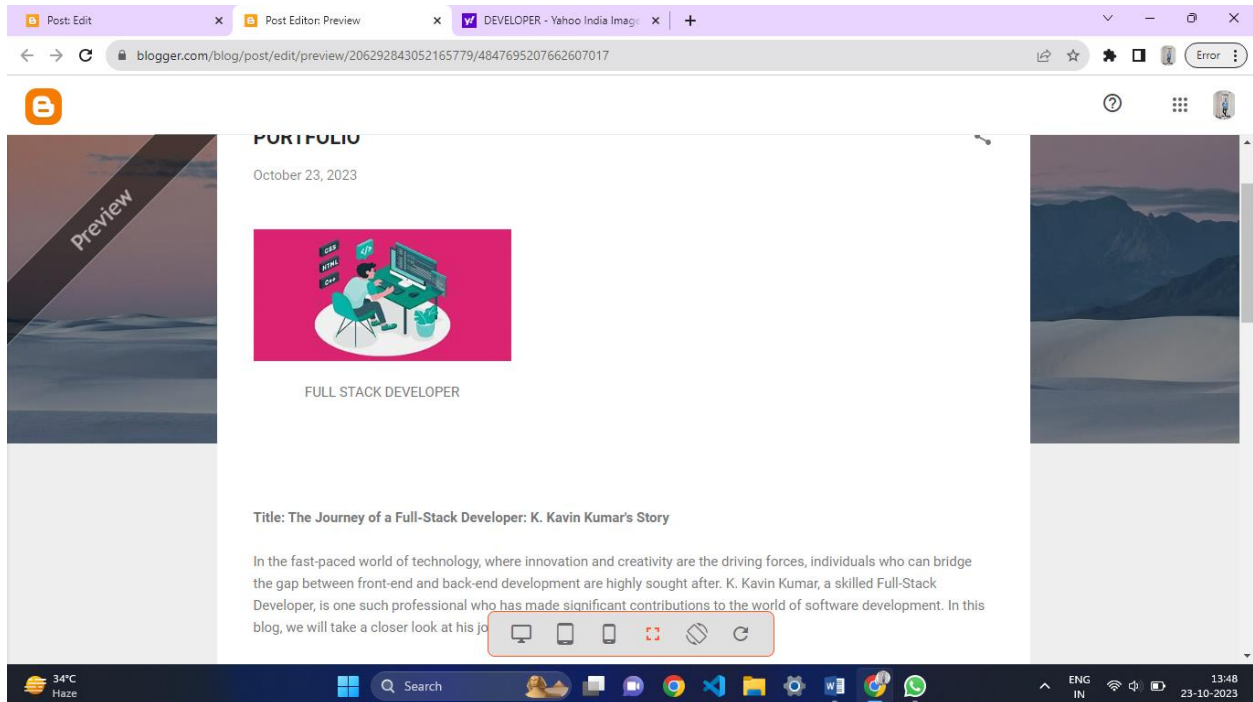

STEP 4: Modify the Theme and save it.

STEP 5: Go to post and create a new post and enter some text in the post section.

STEP 6: After creating some texts save it.

STEP 7: After creating the post click the view blog to see the blog created by us.

The screenshot shows the Blogger 'Post Edit' interface in a web browser. The browser's address bar displays the URL: `blogger.com/blog/post/edit/206292843052165779/4847695207662607017`. The page title is 'PORTFOLIO'. The post content includes an illustration of a person at a desk with a computer, labeled 'FULL STACK DEVELOPER'. Below the illustration, the title is 'Title: The Journey of a Full-Stack Developer: K. Kavın Kumar's Story'. The main text reads: 'In the fast-paced world of technology, where innovation and creativity are the driving forces, individuals who can bridge the gap between front-end and back-end development are highly sought after. K. Kavın Kumar, a skilled Full-Stack Developer, is one such professional who has made significant contributions to the world of software development. In this blog, we will take a closer look at his journey, skills, and experience.' Below the text is a section titled 'Meet K. Kavın Kumar'. On the right side, there is a 'Post settings' panel with options for 'Labels', 'Published on' (10/23/23 1:49 PM), 'Permalink', and 'Location'. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 13:49 on 23-10-2023.
